

Owl Farm Demonstration Manager Cambridge

Owl Farm is a demonstration dairy farm developed between St Peters School Cambridge and Lincoln University which commenced operations in 2014. This 150ha, 400 cow dairy farm utilises good farm practice and scientific monitoring to represent an exemplar in dairy production, financial management, environmental and people performance, while maintaining the highest standards of health and safety.

This unique role is part co-ordinator, part implementer, part liaison and most part leader. To be successful in this role you will understand the dairy industry intimately and are likely to already be in a role either on a farm or servicing farmers.

This important role requires a person who is passionate about the industry and is not afraid of speaking in a public forum.

The ideal applicant will have a tertiary qualification in one of the following; agriculture, business, environment or similar and have at least five years' work experience since graduating.

If this is you and you want to be a key part of this exciting journey on Owl Farm with its key partners; St Peters School, Lincoln University, Opus, LIC, PGG Wrightson Seeds, DairyNZ, Ballance, Fonterra Farm Source and Westpac, then apply now.
