

Technology field day

Pete Morgan – Farmer from Pokuru

Pete will discuss:

- How he uses apps on his farm to make the business more efficient
- How to make milking more enjoyable with technology
- How to manage the large flow of new technology

Aeronavics will demonstrate a commercial drone over the St Peters farm. They will discuss the technology that is currently being worked on.

Thursday 29th June, 1:00pm-3.00pm

St Peters School Demonstration farm
turn onto St Peters School road at the Avantidrome
Cambridge
